Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 26 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Patchy rain this morning, brighter later.

Today:
Cloudy with patchy light rain across the area this morning, brightening up shortly after midday. Sunny spells this afternoon but some showers developing, mainly towards the west. Maximum temperature 14 deg C (57 deg F).

Tonight:
Showers quickly easing by early evening to leave a predominantly clear, dry night, although some low cloud possible around the coasts. Cool inland, milder near the coasts. Minimum temperature 7 deg C (45 deg F).

Thursday:
A bright and sunny day with light winds. Some light showers developing over higher ground to the west, but prolonged sunny spells elsewhere. Feeling warm. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
Another fine day on Friday with a few slow-moving showers possible near the coast. The weekend will be dry, bright and feeling warm, but maybe cloudy along the coastlines overnight.
